SCYIHA wants your stay in the State College area to be the best it can be. In an effort to make your visit to the Junior Icers 29th Annual Invitational Tournament as comfortable as possible, the Tournament Committee has made arrangements with the following hotels.

All "Out-of-Town" teams MUST stay at a hotel authorized by SCYIHA. There are no exceptions so please do not ask. We have secured rooms with several different hotels so each team will be able to find a hotel that is right for them. Discounts or promotional rates obtained by any method are not applicable. Failure to comply or attempts to circumvent this arrangement will result in expulsion from the tournament.

A Rooming List form is available by downloading the form from the SCYIHA website (scyih.com) and click on the "Tournament" link).
